SUPPLY AGREEMENT

I / We the undersigned owner/tenant/occupier of the premises stated under the title of supply data agree with the company to take a supply of Electrical energy at the mentioned premises to all the lamps, apparatus and motors installed not exceeding the KVA stated in the item Amd (KVA) and in respect of any variation I/We agree to notify the Company under the Methods of Charge contained in the Methods of Charge (Kenya Power) Byelaws 19.....as amended from time to time or in any Byelaws substituted therefore and as specified below and

I/We hereby agree:

- a) To pay the charges for such supply from time to time as published by the Company pursuant to Section 73 of the Electric Power Act.
- b) That the provisions of and conditions contained in the supply Contract and Conditions (EAP&L) Byelaws 1953 as ammended from time to time shall be the basis of and form part of my/our contract with the Company.
- c) To allow authorised Kenya Power personnel entry into the premises of supply for purposes of reading the meter, and inspecting the installation to ascertain that the same is in a good working order.
- d) To avoid any kind of meter damage and/or meter tampering so as to avoid unauthorised/fraudulent use of electricity. The maximum demand of this supply will not exceed the KVA stated in the item AMD (KVA) without the written consent of the company.

The methods of charge are specified in Methods of Charge (Kenya Power) Byelaws 19..... as amended from time to time or in any Byelaws substituted therefore, and the prices are published in the Company's Schedule of "Prices for Electrical Supplies in Kenya".

For and on behalf of the customer.
