KPLC desires timely delivery throughout the contract period and by the agreed delivery dates or lead times. This flexibility would allow KPLC to reduce inventories and maintain a high level of service to its customers.

It is KPLC's intent to establish a **Three (3)** year contract with the supplier based on a periodic review of quantity, quality and service.

Prospective Suppliers shall note that KPLC expects the following:

1. Highly competitive pricing-

2. Ongoing exchange of technical information-
An ongoing exchange of technical information would provide the opportunity to look at savings associated with the use of alternate products or specification revisions
3. Timely Delivery to avoid stock-outs-
An exchange of information would allow the Supplier to plan production to meet KPLC's requirements and KPLC would receive the Item(s) when needed, resulting in decreased inventory and higher service levels
4. Quality products and service-
KPLC expects that quality problems would be virtually eliminated by working with the Supplier.
5. Working together as a team to improve the supply process both technically and administratively-The entire supply process would be continually reviewed to provide for cost reduction and efficiency.

- 3.37.4 A notification of the tender outcome does not reduce the validity period for any tender security whether the Tenderer is successful or not, except where such tender security is officially released to the Bank and/or the Tenderer and such Bank discharged of all its obligations by KPLC prior to the expiry of its stated validity period.
