Please refer to the above tender.

We make the following amendments to the above Principal Tender Document (hereinafter abbreviated as the PTD) for the Supply and delivery of Personal Protective Clothing.

1. RELATIONSHIP WITH THE PRINCIPAL TENDER DOCUMENT

Save where expressly amended by the terms of this Addendum, the PTD shall continue to be in full force and effect. The provisions of this Addendum shall be deemed to have been incorporated in and shall be read and construed as part of the PTD.

2. SECTION II. TENDER DATA SHEET

No.	Prospective Bidder's Query	KPLC Response
1.	"Bidders with more than 50% outstanding KPLC order shall not be eligible for this tender." The statement is prejudicial.	The word "outstanding" is in the context of "OVERDUE ORDERS." Note that orders that are within delivery schedule are not outstanding.

3. SECTION V – TECHNICAL SPECIFICATIONS

No.	Prospective Bidder's Query	KPLC Response
2.	We have noted a number of inconsistencies under specifications that need clarification:	
	a) Table 1 Level of performance; blade cut resistance level 5 - picture shared is of leather gloves usually level 1.	The gloves shall meet the Performance Level requirements as specified in 4.3.1.1.4. The bidder/ manufacturer to offer the material of manufacture that shall meet the requirements.

No.	Prospective Bidder's Query	KPLC Response
	b) Clause 4.3.1.2.2 - HPPE (DYNEEMA) nitrile coated cut level 5 contravenes 4.3.1.2.1 which is reading leather gloves.	The bidder/ manufacturer to offer the material that shall meet the requirements. Shall be HPPE (DYNEEMA) nitrile coated cut level 5
	c) Please help shed more light with regards to these specifications and the picture shared. Attached we have highlighted areas of concern.	Bidder to offer their design and model that meets the requirements.
	d) A picture of the user glove will help	Bidder to offer their design and model that meets the requirements.

All other terms and conditions remain the same.

Yours faithfully,

FOR: THE KENYA POWER & LIGHTING COMPANY PLC
