## **REQUEST FOR EXPRESSION OF INTEREST**

### **REPUBLIC OF KENYA**

#### **OPERATION AND MAINTENANCE OF PREPAID SOLAR CHARGING SYSTEMS AND SOLAR LANTERNS**

The Government of Kenya has received financing from the Nordic Development Fund for installation of prepaid solar charging systems and solar lanterns, and intends to apply part of the proceeds for the following services: Operation and Maintenance of the prepaid solar systems.

The services include collection of revenue from the agents with the prepaid solar systems, maintenance of the same together with the lanterns, giving support to the agents, preparation and submission of monthly reports to Kenya Power and any required expansion as agreed with Kenya Power.

The total assignment is expected to last 5 years with option of extension.

The Kenya Power & Lighting Company Limited will be the implementing agency of the project and now invites bidders to indicate their interest in providing the services. Interested bidders must provide information indicating that they are qualified to perform the services (brochures, description of similar assignments, experience in similar conditions, availability of appropriate skills among staff, etc.). Bidders may associate to enhance their qualifications.

The Client will prepare a short list of about six candidates to be pre-selected on the basis of the Expressions of Interest received to whom he will send a Request for Proposals to perform the services.

Expressions of Interest must be delivered to the address below by **24<sup>th</sup> March, 2015**.
