

COFFEE TABLE WITH MAGAZINE RACK

1. The coffee table top, magazine rack and the legs shall be made from solid mahogany wood.
2. It shall be rectangular in shape with rounded edges
3. Its dimensions shall be 1500mm (width) x 750mm (depth) x 600mm (height).
4. It shall have a solid magazine rack 300mm below the top surface.
5. It shall have a lacquer finish.

EXECUTIVE LOUNGE SOFA SEAT

1. Executive genuine leather 7-seater sofa
2. Beige in colour
3. The leather shall be precision cut by hand.
4. It shall be sewn by one seamstress for consistency and precision.
5. A long-lasting nylon thread shall be used.
6. The frame shall be built in modular sections for stronger support.
7. A long-lasting seat belt like elastic webbing shall be used to offer comfort and support.
8. The structure shall be completely padded to ensure the leather never touches the wooden frame.
9. Upholstery shall be applied to the modular sections and then assembled to provide a tight fitting and flowless finish.
10. High resiliency (high density) urethane foam wrapped in polyester fibre shall be used to ensure comfortable long-lasting cushions.
11. A combination of glue, screws and bolts shall lock the frame together tightly.
12. Industrial steel bolts lock together your modular engineered frame for lasting strength.
13. The furniture shall be completely wrapped in plastic to protect it from dust and scratches during delivery
