

Kenya Power

REQUEST FOR EXPRESSION OF INTEREST **FOR CONSULTANCY SERVICES**

SECTOR: ENERGY

COUNTRY: KENYA

NAME OF PROJECT: DISTRIBUTION MASTERPLAN

The Republic of Kenya has received financing from the Agencie Francaise de Development towards the cost of part of the Kenya Power Distribution Masterplan and intends to apply part of the agreed amount for this loan towards payments under the contract for Consultancy Services for Project Supervision and Management.

The project involves Design, Supply, Installation and Commissioning of New/Upgrade of Substations and Lines in Coast region, Nairobi region and West Kenya region.

The Scope of Works for the consultant shall include:

- Assist in preparation of Bid document
- Assist in Bid evaluation and preparation of the Evaluation Reports
- Taking part in clarification, and preparation of the contracts
- Approving contractor's designs
- Supervision of construction works
- Assisting with the interpretation of contractual items, establishment of progress measurement thresholds, and payment processing
- Preparation of Monthly and Quarterly progress reports and
- Preparation of project completion reports

The Kenya Power and Lighting Company Limited (KPLC) which is the Contracting Authority now invites eligible consultants to express their interest in providing the above services. Interested Consultants must provide information indicating that they are qualified to perform the services (brochures, description of similar assignments, experience in similar conditions, availability of appropriate skills among staff etc). Consultants may constitute joint - ventures to enhance their chances of qualification.

The total assignment is expected to last 3 years.

The Client will prepare a short list of about six candidates to be pre-selected on the basis of the Expression of Interest received to whom he will send a Request for Proposals to perform the services.

Interested consultants may obtain further information at the address below during office hours, between **0900 to 1200** and **1400 to 1630 hours** (East Africa time).
