M/s

Dear Sir,

**ADDENDUM (II) TO TENDER NO. KP1/9AA-2/PT/14/13-14 FOR SUPPLY,
INSTALLATION AND COMMISSIONING OF CONTINUOUS OPERATING
REFERENCING STATIONS**

The following amendments are made to the specified provisions of the Tender document for the supply installation and commissioning of continuous operating referencing stations. Save where expressly amended by the terms of this Addendum, the Principal Tender Document shall continue to be in full force and effect. The provisions of this Addendum shall be deemed to have been incorporated in and shall be read as part of the Principal Tender Document.

1. SECTION V– SCHEDULE REQUIREMENTS(page 37)

Bidders are informed of the following amendments and clarifications ,that the quantity of the geodetic antenna item No 3 have reduced to one and also Configuration GPS reduced to one (Item No 4).

Bidders are informed that all the other items the quantity remains as specified in the tender document.

2. SECTION V– SUMMARY OF EVALUATION PROCESS(PART II b 7.2.4 and 7.2.5)

Clarification to the bidders that they have to provide catalogues and brochures as a support of meeting the technical specification as per the tender document.

Bidders are expected to have a very clear understanding of how the system works and thus how every item in the schedule requirements fits in the whole system .This is the reason why the bidder should submit a power point presentation.

3. SECTION X – TECHNICAL SPECIFICATION

Bidders are informed that the specification for the reference station has been simplified for better understanding and some specifications put to the minimum acceptable values. The configuration GPS two important Specifications have been added i.e. camera and

the number of channels. All the other items specifications are as specified in the tender document.

4. CLALIFICATION OF SITES

Bidders are informed this are the sites where the installation will be carried

- 1) Electricity house Nairobi.....Central server
- 2) Ruaraka Substation.....Base station 1
- 3) Meru Substation.....Base Station 2
- 4) Wajir Substation..... Base Station 3
- 5) Chemosit Substation.....Base Station 4
- 6) Voi Substation.....Base Station 5
- 7) Galu substation.....Base Station 6
- 8) Mpeketoni Substation..... Base Station 7
- 9) Turkwell Substation Base Station 8

5. TENDER CLOSING DATE

The tender closing date has been extended to 21st May 2014 at 10.00 am.

Tenders must be received by the procuring entity not later than the above date and time. The procuring entity will open the bids thereafter on the same day in the auditorium Stima Plaza.

All the other terms and conditions remain as per the tender document.

Yours faithfully,

For: KENYA POWER & LIGHTING COMPANY LIMITED.
