## **REQUEST FOR EXPRESSION OF INTEREST**

**REPUBLIC OF KENYA**

### **CONSULTANCY SERVICES FOR RETROFITTING OF EXISTING DIESEL MINI GRIDS WITH RENEWABLE ENERGY**

The Government of Kenya has applied for financing from the French Development Agency, and intends to apply part of the proceeds for the following services: Preparation and supervision of the hybridization of 23 existing diesel supplied mini-grids with renewable energy sources.

The services include: preparation of detailed designs, environmental and social impact assessment studies, tender documents, and request for proposals, evaluation, award, supervision to commissioning and training of Kenya Power staff.

The total assignment is expected to last 5 years.

The Kenya Power & Lighting Company Limited will be the implementing agency of the project and now invites consultants to indicate their interest in providing the services.

Interested consultants must provide information indicating that they are qualified to perform the services (brochures, description of similar assignments, experience in similar conditions, availability of appropriate skills among staff, etc.). Consultants may associate to enhance their qualifications.

The Client will prepare a short list of about six candidates to be pre-selected on the basis of the Expressions of Interest received to whom he will send a Request for Proposals to perform the services.

Expressions of Interest must be delivered to the address below by **16<sup>th</sup> December, 2014**.
