

Kenya Power

POWER SUPPLY INTERRUPTION

Kenya Power will interrupt power supply to part of Mwea, Kutus, Ahiti Ndomba, Kimbimbi and Environs on Wednesday 5th, Friday 7th, Monday 10th and Wednesday 12th August, 2015.

The interruption will be necessary to facilitate stringing works on the new Sagana - Kutus 132kV Transmission Line in order to improve quality and reliability of power supply in the region.

The company regrets any inconvenience that may be caused during the operation.
